Early "Spring Cleaning": I went through the Lost and Found in Moody Hall this week and returned anything labeled to the students. As you might imagine, there were many items unlabelled! Those were taken to the Lunch Room and students given a chance to take things they recognized, but there are many still unclaimed, and we're out of space in the bin! Please check the Lost and Found bin (located in the hallway across from Kelso Library downstairs) on Monday or Tuesday of next week, if your child is missing anything. Lost and Found items that are still in the box as of Wednesday will be donated for resale. Thanks! JQNewton
